

**Welcome to the 2012 RACQ HMC Rally.** We will endeavour to share with you, the diversity and beauty of our region and the warmth and friendliness of our people.

**Firstly a note on our entry form:** Please print legibly and we ask that you put your motor club name in full – as initials only, to the uninitiated!, can be very confusing.

**Payments:** If you wish to electronically deposit your fees please call Pat for our bank details. Please also ensure that you clearly identify who the deposit is from.

**Early sign in:** can be made on Friday the 8<sup>th</sup> June from 4.30pm till 7pm at St. Helens School. A light meal may be ordered for this evening – see entry form. Follow the signs to Hervey Bay from Maryborough to the school about 2km.

**Trailer Parking:** Please contact Rally Director or Secretary.

**Venues:** We will use two main venues over the weekend, one being the lovely St. Helens school oval and facilities, the other our striking, iconic City Hall and car park. Each day the runs will showcase very different aspects of our area, including Hervey Bay and the rural areas from Maryborough to Bauple, home of the "bopple" nut, better known as the macadamia nut.

**Dinner Themes:** Saturday evening "Masquerade dinner", you can wear your own creation, and enter our mask competition. Sunday - Presentation Dinner, we ask you that you dress in the era of your vehicle. Both dinners will be BYO alcohol, so we recommend, if you wish, that you bring a small esky. Soft drink and juice will be on sale at the venue.

**Public:** will be given ample opportunity to view your vehicles while in the area and security is being provided for parking at the dinners.
