

# Welcome to our 2012 RACQ HMC Rally

We are looking forward to hosting the 2012 RACQ HMC Rally and to meeting you in June next year.

At this stage our itinerary is not yet final, but we have a tentative plan, with two main venues on offer, one being a lovely oval and hall at St Helens School, just on the edge of Maryborough and a spot in the centre of the city, being our beautiful City Hall.

**Friday** evening early registrations will be taken and a light meal will be available.

**Saturday** morning registrations will also be taken and a public static display will be held while we have morning tea. Then we are off on a scenic run around Hervey Bay, followed by lunch and a static display to showcase our beautiful vehicles followed by a tour along the esplanade, known locally as "Crusin' the Nard". A casual dinner in the evening will top off day one.

**Sunday** morning we will assemble in the city precinct where a Marching Band competition will be taking place. Morning Tea will be served and we will set off for a historic adventure. Our main themed dinner will top off an amazing day.

**Monday** morning we will again assemble for morning tea and a tour of our outlying districts before having an early lunch in the bush.
